My dear Sir

This will reach you through a letter of Mr. Jas. W. Green of Culpeper in this state. He has secured Mr. Calhoun's scheme for a serial execution with some modifications and would like to publish along with it some of Mr. Calhoun's views on his published works. I recommended him to you to get the consent of Mr. Calhoun's family to his republication of the portions of Mr. Calhoun's works bearing upon the scheme. I made no doubt that you would do it cheerfully — It would be a good thing to get Mr. C's views out at once and I hope you will ask Mr. Green to do it. I should be very glad to see these things published and Mr. Green's views supported by his talents with Mr. Calhoun's own ideas upon the subject would be very valuable just now when the whole matter would attract public attention just now.

Very truly yours respectfully

Wm James H. Rion
